

## Alstonefield Village Easter Trail

Station	Directions	Letter clue
<b>1</b>	Turn left out of the Village Hall Car Park and walk to the junction at the end of the road. Keeping left, walk a little further until you see a footpath to the village well on your left. Walk down the path to sit by the well.	
<b>2</b>	As you leave the well, retrace your footsteps by turning right. At the road junction on the left you will see the village pump and clue 2.	
<b>3</b>	Continue to retrace your steps past the carpark and the village hall. Turn right into the lane just past the village hall and then left through a wooden gate into the School Garden	
<b>4</b>	As you leave the School Garden, turn left along the lane. As you approach the playing fields gate, look out on your left and right for some local chickens! Enter the playing fields to find clue 4.	
<b>5</b>	Take the gate out of the playing fields that leads to the carpark. Cross the carpark to the road. Turn right down the road towards Top of Hope. Walk out of Alstonefield and look out for a footpath on your left just after a long, low farmhouse on the left. The path bends back sharply towards the village and runs past the front of the farmhouse. Keep on this path until you find clue 5.	
<b>6</b>	Continue along the footpath in the same direction until you come to a crossroads of paths with a signpost.	
<b>7</b>	From the signpost, take a left turn back into the village. When you get to the road, turn right. Clue 7 is by the holly tree on the left.	
<b>8</b>	As you sit on the bench facing the holly tree, there is a fork of the road on our right. Follow this road down towards Homestead Garden on your left, just before the main road. Enter the garden by the wooden gate.	
<b>9</b>	On leaving the garden turn left towards the main road, right along the main road and then right again to the large sycamore tree on the Green opposite the George Public house.	
<b>10</b>	From the sycamore tree, take the lane that leads towards the old manor house and the church. Keep going along the lane, past the gate to the church and past the church itself until you come to a gate on the right that leads into the graveyard beyond the church. Here you will find clue 10.	
<b>11</b>	Enter the churchyard and walk between the graves to the wood.	
<b>12</b>	Follow the path around behind the church and back round to the church porch.
