- Thank you for your interest and entry fee, we look forward to seeing you on 22 May 2022.
- If you arrive by car to Alstonefield, please follow the Leaden Boot parking signs to the event car park (Alstonefield Playing Field - see attached map) **Car Park open from 7am**.
- Please report to **Registration** and provide **your name and event number**. You will be issued with your **control card** for use during the event.
- Detailed route instructions are available at leadenboot.org.uk. Please print the route instructions (v19-2022) from our website and bring them with you. We will provide some way-marks (bright yellow arrows and ribbons) to assist navigation, but please do not rely on them solely. Use the route instructions and preferably an OS Explorer Map OL24 'The White Peak' with compass bearings as appropriate. **Please keep to the route and respect the Country Code.**
- If you retire, please try to do so at a manned checkpoint and let the marshals know that you have retired. A lift will be arranged to Alstonefield as soon as possible. If you cannot make it to a checkpoint it is crucial that you telephone the control centre using the emergency number provided on the back of your control card 01335 310516 (backup number 07721048968) In this way we can monitor your position and arrange medical help and transport to Alstonefield, or emergency services.
